Virtual Parent Teacher Conferences

What: KWHS Virtual Parent Teacher Conferences

Date: Tuesday, February 23, 2021

Time: 4:00 p.m. - 7:00 p.m.

Where: Virtually

Parent Teacher Conferences will be held virtually on Tuesday, February 23rd starting at 4:00 pm and ending at 7:00 pm. These conferences will be held through the online video conferencing platform Zoom as we will not hold an in-person event. Our online approach to Parent Teacher Conferences supports health and safety guidelines to a greater extent possible than an in-person event. We appreciate your support and understanding.

We have made our best effort to stay consistent with our in-person conference format, in which parents wait in line to visit teachers throughout the scheduled time. For our virtual format, each teacher will have an open Zoom meeting link for the duration of the evening. Parents will enter into the Zoom waiting room and the teacher will meet with parents individually in the order in which they enter the queue. Unfortunately, parents will not have any indication of what order they are in and/or how much more time remains before the teacher connects with them. This is where your patience will be greatly appreciated! Please know the length of the individual conference times could vary based on the number of parents waiting to see a teacher.

Progress report grades will be posted by midnight on February 22, 2021. Please check the Infinite Campus Parent Portal to view your child's grade.

Similar to our Fall Parent Teacher Conferences, we shared a document with the Zoom links to our teachers. Please see below for the links to each teacher's Zoom session. If for some reason you are unable to gain access to a teacher's Zoom session, you can always contact the teacher directly through email to set another time to visit.
